DEPUTY CHIEF PATRON'S MESSAGE ...

Dear Alumni member,

Greeting to all. We are slowly recovering from the shock of the demise of our beloved Ayya.

I am very happy to note that as a forerunner to the forthcoming Diamond Jubilee celebrations of Nachimuthu Polytechnic which is due in 2017 for which NAPAA has formed an action committee and a campus chapter and also conducted preliminary chapter meeting at udumalpet, Tirupur & Pollachi.

The Reunion of the batches of 1965 & 1990 is due. I congratulate the action committee for the untiring task of identifying alumni members for forming different committees for the successful conduction of Diamond Jubilee Celebration. Let us continue with the positive spirit in planning for the Diamond Jubilee Celebrations.

I assure you of the best support by the management.

CETEC – EMPOWERING ENGINEERS WITH EMPLOYABLE SKILLS!

Today Indian industries are undergoing serious reformation in terms of technology, modernization and automation to meet the challenges faced due to globalization.

Industries are looking for trained Mechanical / Mechatronics Graduates & Diploma Engineers with strong fundamentals so that they can be placed immediately on the job. On the other hand Engineering Institutes are more focused in completing the syllabus and the Engineers / Diploma graduates coming out of the institutes are not meeting the industries expectation thus leaving a big gap between the Institute & Industry.

To bridge this gap CETEC joined with TTTI (a FANUC Authorized Training Center) conducting training course for fresh Graduates & Diploma Engineers in CNC Programming, Geometrical Drawing & Tolerance, Metrology, Instrument Handling & Measuring Techniques & Process & Tool Planning, Quality Planning, 5S Practices, Safety & KAIZEN, Quality Management System.
